

5 Reasons

YOU SHOULD BE GIVING THROUGH A DONOR-ADVISED FUND

A donor-advised fund, or DAF for short, is a popular tool for charitable giving because it multiplies gifts, maximizes tax benefits and simplifies the giving process. At the Foundation, we call DAFs “Giving Funds.” But what are they?

Think of a DAF like an investment account for all your charitable giving. Instead of writing multiple checks to individual charities, you contribute to your DAF account and receive an immediate tax deduction. Those contributions are invested and grow tax-free. You decide which charities you want to support and how often. When you're ready to make a gift from your DAF, the Foundation sends the check and manages the paperwork for you.
